## ENVIRONMENTAL POLICY STATEMENT

### To Whom It May Concern:

**Mansec Security Systems Limited** is committed to the protection of the environment by acting to preserve the natural quality of Air, Water, Animal and Plant life. **Mansec Security Systems Limited** will therefore comply with current statutory regulations on these issues.

Where **Mansec Security Systems Limited** Employees are regularly assigned to a Client's location to which written Client's procedures or instructions apply, then the performance of work must be in accordance with such procedures.

Where No Client's procedures exist then the following basic rules apply to the services normally provided:-

1. Waste products disposal, where applicable will be handled sensibly into the designated containers provided, so as to ensure a Tidy Work-Site. In the absence of on site disposal, all waste products will be removed from site on completion of work for correct disposal.
2. Chemicals must never be disposed of into drainage systems.
3. Cardboard, paper, batteries or any waste product will be removed from site for the correct and approved method of recycling.
4. The operation of Noisy equipment, particularly AUTOMOTIVE and PLANT, must be avoided and recognised as an infringement on the environment.

Although I am aware that the majority of your operations do not involve environmental considerations, I must ask all of you to be aware of their importance and comply with this Policy.
